BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF CALIFORNIA

Application of Pacific Gas and Electric Company For Approval of Demand Side Management Shareholder Incentives for 1993 Program Year Accomplishments )  
(U 39 M) )  
Application No. 94-04-

NOTICE OF FILING

TO: THE STATE OF CALIFORNIA ATTORNEY GENERAL, DEPARTMENT OF GENERAL SERVICES, COUNTY AND CITY OFFICIALS AND INTERESTED PARTIES

Pacific Gas and Electric Company (PG&E) filed Application on April 26, 1994 with the California Public Utilities Commission (CPUC). PG&E's Application, which is part of the Annual Earnings Assessment Proceeding (AEAP), requests authority to recover shareholder incentives related to 1993 Demand Side Management (DSM) program accomplishments.

In total, PG&E is requesting a pre-tax DSM shareholder incentive of \$15.0 million: \$10.3 million for the Shared Savings Programs and \$4.7 million for the Performance Adder Programs. Under the recovery procedures set forth in D.92-12-071, one third, or \$5.0 million (\$4.0 million electric and \$1.0 million gas) would be recoverable in calendar year 1995, another third in calendar year 1996, and a final third in 1997.

1                   However, increases in PG&E's electric sales-forecast,  
2                   and other factors unrelated to this filing produce an electric  
3                   Customer Energy Efficiency (CEE) shareholder incentive revenue  
4                   requirement decrease of \$1.9 million. The gas CEE shareholder  
5                   incentive revenue requirement would increase by \$13 thousand as  
6                   a result of this filing. The revenue requirement changes  
7                   proposed in PG&E's Application would not increase PG&E's rates  
8                   for any of its electric or gas customer classes.

9                   The parties of record in R.91-08-003/I.92-08-002 can  
10                  obtain a copy of PG&E's Application and related testimony,  
11                  including PG&E's Annual DSM Summary Report and Independent  
12                  Quality Assurance Report, upon written request made to Pilar  
13                  Garcia, Pacific Gas and Electric Company, P.O. Box 7442, San  
14                  Francisco, California, 94120-7422.

15                 This notice is given in accordance with the  
16                 requirements of Rule 24 of the CPUC's Rules of Practice and  
17                 Procedure.

18                 Dated this 6th day of May 1994 at San Francisco,  
19                 California.
